

The rains have stopped our outreach for today, but these pastors and leaders are totally fired up and ready to bring the love and power of Christ to all the peoples of these mountains. Be blessed, as we were, as you hear their words.....

- “in my 20 years of ministry, this is the only time I have heard such teaching and have come to know what Christ has given me to carry on His work..”
- “I now have the power to continue the mission to the end..”
- “I am so glad and so really happy. My children were able to be a part of this and now all they want is to just pray for others and to Know God and to serve Him. How could I be any more blessed...”
- “right after the first session I went to the home of muslims that ask me to come. The momma had bad allergies and rashes with bad itch. I told her that I brought the kingdom of God with me and she let me pray. She was instantly healed and the whole family received Christ...”
- “I have been walking many kilometers to go to various places to help people, climbing up and down mountains and my knees had grown very bad with pain all the time. While the teaching was going on I finally saw that I can lay my hands on my knees and they will be restored. I did that and Suddenly a miracle happened and knees feel like a young man.. my strength has been restored to go with my new passion to go for Christ..”
- “ this is the most amazing miracle that I never expected. My relationship with my wife was not good, the love had dimmed greatly with the pressures of the ministry we had actually grown apart. Now, my wife said she doesn't understand what has happened to her in the meeting, but her love for me is greater than ever and she will love me and walk with me and stand with me all the days of our life. How God has done such a thing I do not know, but I am right now the happiest man on the earth. Not only has ministry greatly changed but my marriage has been infused with life from heaven...”
- “I am amazed at the goodness of God. For the first time in my life and ministry, I lay my hands on an old woman with dim vision and her eyes were opened up. I asked, is this really happening to me? Is such power of God actually flowing thru my hands? And it happened again and again. My life is changed forever....”
- “it is amazing to me how God has been using you Americans to teach us. For the first time in my life I actually felt the Anointing of God flowing thru me. I asked those I was praying for ‘do you feel that? Do you feel His Power, His Presence?’ This has made all the difference to me knowing that He is with me and is releasing His power thru me.

Nothing, absolutely Nothing can hold me back now. I will bring this gospel of the Kingdom all thru these mountains...glory to God!"

- "before this impartation I did everything with my head understanding, but now my heart knows the Person of the Holy Spirit and He is the Power I will live by now.. He has given me FIRE and such passion I will finish this race now"
- "I realize after this training that all fear is gone from me and I know that Jesus will NEVER leave me and I will bring His Love to these mountains.."
- "I have been in ignorance and without weapons but Today I know I have been given all I need and am looking forward to the next time the devil shows his face so that I may demonstrate the victory life of Jesus."
- "We had been taught wrongly. Things like do not associate with sinners or to go to places where the sinners hang out. Crazy things like do not have anything to do with your family that is in darkness. We now know that the Light, the Power, the Love that we have is to go to the darkness wherever it is. That Jesus is a friend of sinners! I am so excited to get this Light in me out to the streets!"
- " my faith in The Lord and my confidence in Him taking me thru has been restored. I am a different man now. I have been an evangelist in these mountains since 1976 and this is the first time we ministers have come to see the power and authority available to us. We have many tribes up here, but TODAY BEGINS THE RULE OF A NEW TRIBE. IT IS THE TRIBE OF THE LION OF JUDAH!! All other Philippino Indian tribes will now come to meet This Lion as we have been empowered to go forth..."
- "I am so blessed. I am now experiencing the amazing power of God, it is just so amazing. I pray for the sick and they get healed, they just get healed. Up until now I thought that God only picked a few people to give gifts of power to but now I see it is for all believers and I will show and give away His love and Power for the rest of my life.."
- "we are so grateful for you servants of God to come to give to us. Previous to these days of impartation the only healing I had ever seen was a dying horse that I prayed for did not die, but now I have seen so many right thru my hands...thank You, thank You Jesus!"
- "I have been called of the Lord to rescue people, but have only done that in my own power and thought that was the power. Now I know THE POWER..."
- " I have been suffering from stomach problems for many years with pain all the time. While sitting in the meeting listening to the teaching, I felt something moving inside my stomach and then suddenly the discomfort and pain was all gone.."
- THIS IS AMAZING: A young pastor for one year says that he has never had even one day of schooling in all of his life. He said that he was unable to read or to write. Just by listening to the Word of God he was moved by The Spirit one day to begin to preach and shepherd people. He said "how can I do this Lord without being able to read or write?" But The Spirit urged him to go on. He said, "BUT NOW I TELL YOU OF THE MOST AMAZING MIRACLE! I DON'T KNOW HOW HE DID THIS, BUT SUDDENLY I AM NOW ABLE TO READ AND WRITE! IT IS AS IF I HAVE DONE THIS ALL MY LIFE!" All Glory to Jesus!

- “I have witnessed many miracles here these days. When I stood to pray I prayed for a young child with a cyst on his little neck. In just a moment the cyst disappeared and we were all amazed.
- “this is the only training we have ever received that has given us the wisdom and power that we need to live.”
- “everything is different now, my praying, my faith, everything. I prayed for a young man whose neck was all swollen on one side. I watched with my very eyes all the swelling disappear! This is so amazing! I myself experienced a healing miracle. My eyes were very blurred from washing with bad water for years. I was instantly healed and my eyes are now perfect! I am so blessed to be allowed to witness such miracles of the Lord! It is now my prayer that I will go to the poor people of these mountains to show them MORE of God!”
- A pastor lady that for the last 10 years had a large tumor on her arm. She said “I had no money to have surgery and the doctors told me to find a specialist somehow in the Phiippines to operate. This has greatly affected my life and ministry and witness. Every meeting I have been in for 10 years I have asked anyone and everyone to pray for this to be removed. Sometimes the pain would ease a little but the tumor just keeps growing. What happened to me at this conference training was I listened to the truth and said to myself this is for me too, so I stood and one of the other pastors prayed for me and then watched that tumor disappear. After having seen and felt the love of My Father in this healing I know that Nothing is impossible with the Lord and I will love and serve the Lord all the days of my life and go to the ends of the earth to declare His loving kindness!”
